

# The International Conference on Software Engineering, Mobile Computing and Media Informatics (SEMCMI2015)

Asia Pacific University of Technology and Innovation (APU),  
Kuala Lumpur, Malaysia

October 27-29, 2015

All registered papers will be included in SDIWC Digital Library.

You are invited to participate in **The International Conference on Software Engineering, Mobile Computing and Media Informatics (SEMCMI2015)** that will be held in **Asia Pacific University of Technology and Innovation (APU), Kuala Lumpur, Malaysia** on **October 27-29, 2015** as part of **The Fourth World Congress on Computing and Information Technology (WCIT)**. The event will be held over three days, with presentations delivered by

## Research Topics

### Software Engineering

Advanced Database Systems  
Advanced Human-Computer Interaction  
Artificial Intelligence  
Data Mining  
Economics of Innovation & Entrepreneurship  
Electronic Circuits  
Embedded Systems Design & Interfacing  
Globalisation & the World Economy  
Managing the International Enterprise  
Service-Oriented Architectures  
Spatial and Multimedia Databases  
Systems Safety Engineering  
Virtual Organisation Management

### Mobile Computing

Access Control  
Application Service Providers  
Bluetooth  
Broadband Wireless Networks  
Enterprise Asset Management Software  
Fixed Wireless Networks  
Converged Networks  
Data Security  
PDA Operating Systems  
Satellite Communications Systems  
Wireless Application Development  
Wireless Applications Software  
Wireless Development Tools

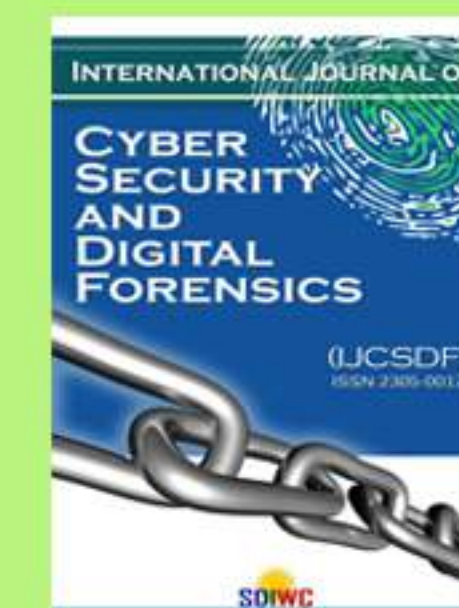

### Application Performance Management

Base Stations  
Broadband Satellite Systems  
Enhanced Messaging Service  
Ethernet Cable  
Fixed-mobile Convergence  
Data Migration  
Document Management  
Voice Communications Software

### Media Informatics

Computer Graphics/Animation/Visualisation  
Data Communication  
Digital Interactive Media  
Game Design  
Knowledge Management  
Multimedia Technology  
Speech/Image/Video Processing and Technology  
Cooperative Work Environments  
Designing Interactive Systems  
E-Business  
Internet Infrastructures  
Management of Information  
Security and Cryptography  
Virtual and Augmented Reality

### Special Issues

**Submission Deadline**  
**September 27, 2015**
