

The Third International Conference on Digital Enterprise and Information System (DEIS 2015)

Shenzhen Institutes of Advanced Technology, Chinese Academy of Sciences (SIAT-CAS)
Shenzhen, China
April 16- 18, 2015

All registered papers will be included in SDIWC Digital Library.

Introduction

You are invited to participate in **The Third International Conference on Digital Enterprise and Information System (DEIS2015)** that will be held in **Shenzhen Institutes of Advanced Technology, Chinese Academy of Sciences (SIAT-CAS), Shenzhen, China, on April 16-18, 2015**. The event will be held over three days, with presentations delivered by researchers from the international community, including presentations from keynote speakers and state-of-the-art lectures. The conference welcomes papers on the following (but not limited to) research topics:

Access Controls	Data Management in Mobile Peer-to-Peer Networks	Information Ethics
Anti-cyberterrorism	Data Mining	Information Propagation on Social Networks
Assurance of Service	Data Stream Processing in Mobile/Sensor Networks	Information and Data Management
Biometrics Technologies	Data and Information Quality	Internet Modeling
Cloud Computing	Distributed and Parallel Applications	Mobile Networking, Mobility and Nomadicity
Computational Intelligence	E-Government, E-Learning and E-Technology	Mobile Social Networks
Computer Crime Prevention and Detection	Embedded Systems and Software	Mobile, Ad Hoc and Sensor Network Management
Computer Forensics	Forensics, Recognition Technologies and Applications	Multimedia Computing
Computer Security	Fuzzy and Neural Network Systems	Network Security
Confidentiality Protection	Green Computing	Peer-to-Peer Social Networks
Critical Computing and Storage	Grid Computing	Quality of Service, Scalability and Performance
Critical Infrastructure Management	Image Processing	Real-Time Systems
Cryptography and Data Protection	Indexing and Query Processing for Moving Objects	Resource and Knowledge Discovery Using Social Networks
Data Compression	Information Content Security	Self-Organizing Networks and Networked Systems
Sensor Networks and Social Sensing	Ubiquitous Computing, Services and Applications	Semantic Web, Ontologies
Social Networks	User Interfaces and Usability Issues form Mobile Applications	Web Services Security
Social Search	User Interfaces, Visualization and Modelling	Wireless Communications
Soft Computing Techniques	Web Services Architecture, Modelling and Design	XML-Based Languages
Software Engineering	Signal Processing, Pattern Recognition and Applications	

Important Dates

Submission Deadline:	Open from now until March 16, 2015
Notification of Acceptance:	2 - 4 weeks from the submission date
Camera Ready Submission:	April 06, 2015
Registration Deadline:	April 06, 2015, however, it is recommended to do it few days before
Conference Dates:	April 16-18, 2015
