CALL FOR PAPERS

Research contributions (short lectures, posters and full papers) related to the main topics of the Congress are welcome. All abstracts and full papers will be **reviewed** by the Scientific Committee. Abstracts submitted to the Congress will be published in Book of abstracts and all accepted papers will be published in the integrated form in the Proceedings. Guidelines for preparation and submission of abstracts and full papers are available at the Congress website (www.kongres.tfzv.org). Some of the papers will be chosen by Scientific Committee for publication in Journal of Engineering & Processing Management.

Participants can register on the Congress website: (www.kongres.tfzv.org). Having in mind technical demands related to publishing of the Proceedings, we ask the participants to prepare papers using [PAPER TEMPLATE](#) and according to the instructions for authors. Deadline for paper submission is 15.12.2014.

Papers should be sent on e-mail: kongres.tfzv@gmail.com

Papers that are not prepared according to the instruction or sent after the deadline will not be considered for publication.
