

The Second International Conference on Digital Information Processing, Data Mining, and Wireless Communications (DIPDMWC2015)

November 30 - December 1, 2015 » Dubai, UAE

Islamic Azad University, Academic City, Dubai

All registered papers will be published in SDIWC Digital Library

Introduction

You are invited to participate in **The Second International Conference on Digital Information Processing, Data Mining, and Wireless Communications (DIPDMWC2015)** that will be held in Dubai, UAE, on **November 30 - December 1, 2015**. The event will be held over three days, with presentations delivered by researchers from the international community, including presentations from keynote speakers and state-of-the-art lectures.

Adaptive Signal Processing
Artificial Intelligence
Image Processing
Modulation, Coding, and Channel Analysis
Bioinformatics & Biomedical Imaging
Natural Language Processing
Computer-Aided Surgery
Speech Recognition, Analysis and Synthesis
Biometric and Pattern Recognition
Face Recognition and High-Resolution Imaging
Network and Cyber Security
E-Learning
E-Marketing
Parallel Programming & Processing
Expert Systems
Information Security and Cryptography
Multimedia Signal Processing
Biomedical Signal Processing
Neural Networks and Genetic Algorithms
Data Compression and Watermarking
Energy Minimization in Cluster-Based Wireless Sensor Networks
Video Compression and Streaming
Object Detection, Recognition and Categorization
Data Modeling for Cloud-Based Networks
E-Commerce
E-Banking

Energy Minimization in Cluster-Based Wireless Sensor Networks

Coding and Modulation

Vehicular Wireless Networks

Wireless Sensor Networks

Wi-Fi and Wi-MAX B3G/ 4G Wireless Networks

Bluetooth and Personal Area Networks

Mobile Management in Wireless Networks

IP Multimedia Sub-Systems

Mobile/ Wireless Network Modeling and Simulation

Wireless Network Standard and Protocols

Bioinformatics and Scientific Computing

Mobile IP Networks/ Ad-hoc Networks

Security and Robustness in Wireless Networks

Network Management

Wireless Local Area Networks

Wireless System Architecture

Mobile Database Access and Design

Key Management Protocols

Mobile / Wireless Network Planning

Digital Right Management and Multimedia

Data Mining Techniques

Risk Management and Analysis

Abnormally and Outlier Detection

Multi-Task Learning

Data Cleaning and Processing

Data Mining for Complex Dataset

Data Mining for Customer Retention

Data Mining for Business Intelligent

Data Mining for Network Intrusion Detection

Online Algorithms for Data Mining

Ethics of Data Mining

Data Classification and Clustering

Feature Extraction and Data Reduction

Optimization Techniques

Text and Web Mining

Data Mining for Network/Cyber Security

Data Mining for Climate Change and Impacts

Data Mining for Social Network Analysis

Data Mining for Traffic Control

Data Mining and Cloud Computing

Important Dates:

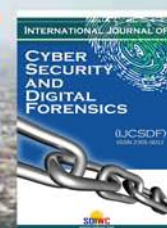

Submission Deadline: October 30, 2015

Notification of Acceptance: 3-4 weeks from the submission date

Camera Ready Submission: Open from now until November 15, 2015

Registration Deadline: Open from now until November 15, 2015

Conference Dates: November 30 - December 1, 2015

BEST selected papers will be published in one of the following special issues provided that the author do major improvements and extension within the time frame that will be set by the conference and his/her paper is approved by the chief editor.
